

Shandong Zhaojin Group Co., Ltd. Group visits Famous

Düsseldorf, Germany – On Monday, the 19th of August 2013, a delegation of the Shandong Zhaojin Group Co., Ltd. visited the Famous Industrial Group in Düsseldorf, Germany. The delegation consisted of President Mr. Lu Dongshang and vice general manager Mr. Shi Wenge. The two sides signed a strategic cooperation letter of intent. In addition, they discussed the technology in the fields of underground air-conditioning, underground support and sulfuric acid recovery from product process of precious metals.

Shandong Zhaojin Group Co., Ltd. is located in China's gold capital—Zhaoyuan City of Shandong Province that is well-known around the world for being rich in gold. It is a large-scale comprehensive group corporation specialized in gold mining, non-gold mining, trading & deep processing of gold, high-tech industry and real estate five industries. The company was established in 1974 and reformed into a limited liability company in 2002. With total assets of 18.3 billion yuan and 15,000 workers and staff, our company now has 6 wholly owned subsidiaries, 10 holding-venture subsidiaries, 6 joint-venture companies, and 1 enterprise under its acting management.

After a tour of Famous Industrial Group, the delegation visited GTA Maschinensysteme GmbH, WAT Wärme-Austausch-Technik GmbH and two other companies in Duisburg and Mönchengladbach. Furthermore, they visited CBS in Köln and discussed the cooperation about building a dual degree system between the two countries.
